BUCKLE UP

Buckle up, get ready to join us and be a part of the Aston Martin Red Bull Racing Team with our one of a kind trackside hospitality. The only way to experience Formula 1™ is to do it in style. You'll gain an insight into the world of racing with exclusive Team access as we take you beyond the grandstands and put you at the centre of one of the world's most thrilling sports! Nowhere else gets you this close.

We're excited to lay some fresh rubber and kick off the 2020 F1™ season with a 22 race calendar that'll see us hit the circuit across the globe. F1™ visits some incredible race locations from historic Monza to the glitz and glamour of Monaco. F1™ will also be making a pit stop in Vietnam and The Netherlands this season to add to the excitement of what promises to be an electrifying season. Each race destination offers a unique, truly unforgettable cultural and sporting experience that you could be a part of.

ACTION STATIONS

Aston Martin Red Bull Racing's F1 Paddock Club™ allows you behind the scenes where you'll be at the heart of the action as the 'Aston Martin Red Bull Racing RB16' is fine-tuned. You'll be hosted by our dedicated Hospitality Team in a relaxed and vibrant atmosphere with the ultimate vantage point above the F1™ Team garages and pit lane, overlooking the start/finish straight. Once the visors come down and the red lights go out, the battles on track will unfold before your very eyes. Follow every inch of the race as we give you the best view of the on-track action with our high-definition video walls.

Fascinating Live Pit Links into the Team garage and Team radio access will keep you informed with insider knowledge and a wealth of data across the race weekend as the action unfolds*. This will allow you to dive deep into the intricacies of F1™ and follow the feeds that allow our strategists to put both drivers and RB16s in the best possible position.

*Pit Link sessions take place at races where we have an Aston Martin Red Bull Racing Team Suite

What's more, we'll take you on a behind the scenes guided tour of our Aston Martin Red Bull Racing Garage where you'll be up close and personal with our trackside operations. Across the weekend, Team personnel from Aston Martin Red Bull Racing will drop by to offer their insight on the weekend's strategy and season ahead.

IMMERSE YOURSELF

As a guest of the Team, you'll also be able to enjoy everything Paddock Club™ has to offer with access to the Main Lounge and entertainment areas to fully immerse yourself in the world of F1™. Each day you'll gain access to the Pit Lane Walks which are exclusive to F1 Paddock Club™ pass holders. Exquisite cuisines based around the finest locally sourced ingredients and prepared by world-class chefs are served throughout the day. You can enjoy an open bar service, and of course all the Red Bull you need to power you through the weekend!

Out on track, watch the action unfold from the viewing deck overlooking the Pit Lane** or sit back and soak up the atmosphere as every second of live racing action is screened throughout F1 Paddock Club™. Renowned for playing just as hard as we work, we'll be sure to get the party started with regular sets from our resident DJ, EROK, who'll pump up the vibe throughout the race weekend.

We aim to host our private Team suite at a substantial number of this year's races. However at some locations, our Team's and F1 Paddock Club™ guests come together to share a Club Lounge. The Aston Martin Red Bull Racing Hospitality Team will be on hand to host you and provide the same exclusive Team access and appearances throughout the entire weekend. Likewise, the track view and entertainment are just as superb!
